Important Information:

I have enclosed deposit of €600 (£540) which I understand to be **non-refundable** unless the course is cancelled. I also agree to pay the balance of €950 (£855) to Litton Lane Training not later than three weeks before the start of the course and I am aware that this fee is also **non-transferable** to another course and non-refundable under any circumstances other than the course being cancelled by Litton Lane Training.

On payment of a deposit, course materials will be sent to you which cost €250 (£225) and are part of the overall fee. If a course is cancelled then the student has the option to transfer to another course where spaces are still available. If the student who is enrolled on a course which is cancelled by Litton Lane Training decides not to transfer to another subsequent course then the money refunded will be € 600 (£540) less the € 250 (£225) cost of the course materials. This is because once the course materials are sent to a student they are deemed to be used and cannot be sent to another student.

I am also aware that students **must attend all of the course tuition time**. If a student due to unforeseen circumstances is forced to miss course tuition time then approximately half of the missed tuition time must be made up with the Instructor Trainer outside normal course hours. This extra tuition will be at the expense of the student involved. Under no circumstances is it possible to transfer a booked place from one course to a subsequent course.
